PRESENTING GRANGE COURT

Designed over three spacious and well-appointed floors, each home combines characterful architecture with versatile interiors to suit modern family life. The development enjoys a peaceful, community-focused setting, surrounded by open green spaces ideal for walking, recreation, and outdoor activities.

Families will appreciate the proximity to highly regarded schools, scenic parks, and a variety of local amenities including independent shops, cosy pubs, and active sports clubs. Excellent transport links provide convenient access to nearby Halifax and Brighouse, as well as fast motorway connections to both Manchester and Leeds - making commuting and travel effortless.

Grange Court is an exclusive development of three exceptional stone-built, five-bedroom detached homes, ideally located in the heart of Hipperholme. Set on one of the village's most sought-after plots, these beautifully crafted properties offer private driveways, secluded gardens, and sweeping views over the Stray - perfectly blending traditional village charm with contemporary living.

GRANGE COURT

A GRAND ENTRANCE

A private driveway - bordered by attractive stone walls - leads to each property and includes an EV charging point, along with an attached garage.

An inviting oak-framed porch welcomes you into a generous entrance hall, providing access to all principal ground floor rooms. Off the hallway, you'll find a study, a cosy snug, a spacious lounge, and a convenient downstairs WC.

At the heart of the home is a bright, open-plan dining kitchen, designed for both everyday living and entertaining. Features include a central island with induction hob and breakfast bar. The main kitchen provides a contemporary layout with 1.5 bowl undermount sink, single oven with combi oven above, full-height 70/30 integrated fridge freezer, dishwasher and wine cooler. Buyers will have a choice of kitchen units and worktops to suit their personal style. Wide bifold doors open out to the rear garden, creating a seamless indoor-outdoor space.

A well-equipped utility room offers fitted storage, plumbing for a washing machine and dryer and internal access to the garage.

INDULGE
IN LUXURY

For added comfort, underfloor heating runs throughout the entire ground floor.

Upstairs, a spacious and light filled landing leads the way to 3 double bedrooms, the family bathroom and large storage cupboard.

The master bedroom suite provides a luxurious retreat, complete with a dedicated dressing area. With vaulted ceilings that enhance the sense of space, the room is bathed in natural light thanks to a series of windows and doors leading to a Juliet balcony, offering stunning views over the gardens and the Stray beyond. The en-suite shower room features a double vanity unit and is comfortably heated with underfloor heating.

The family bathroom is equipped with a free-standing bath, separate shower, vanity unit, and underfloor heating for added comfort.

A second staircase provides access to two additional bedrooms and a further shower room. With vaulted ceilings and Velux windows, these rooms are wonderfully bright and spacious. The shower room features a vanity unit and underfloor heating for a touch of luxury.
